REGULATION REGARDING THE USE OF PREMISES AND EQUIPMENT FOR ALL AUDIOVISUAL INSTALLATIONS:

The Regulation regarding the use of premises and equipment for all audiovisual installations at the Palais des congrès de Montréal (RÉG 52-01) serves to ensure a safe environment for our clients, prevent any damage to the building and equipment during audiovisual set-up and dismantling operations and to standardize the positioning of rigging points for stage and audiovisual installations.

MANDATORY PLAN VALIDATION

All installations are conditional upon validation of plans. Non-compliance with this regulation could result in delays and extra charges, or even interrupt a set-up. Palais technical advisors will provide you with expert assistance in validating rigging plans. Any plan that does not comply with Palais specifications is subject to change.

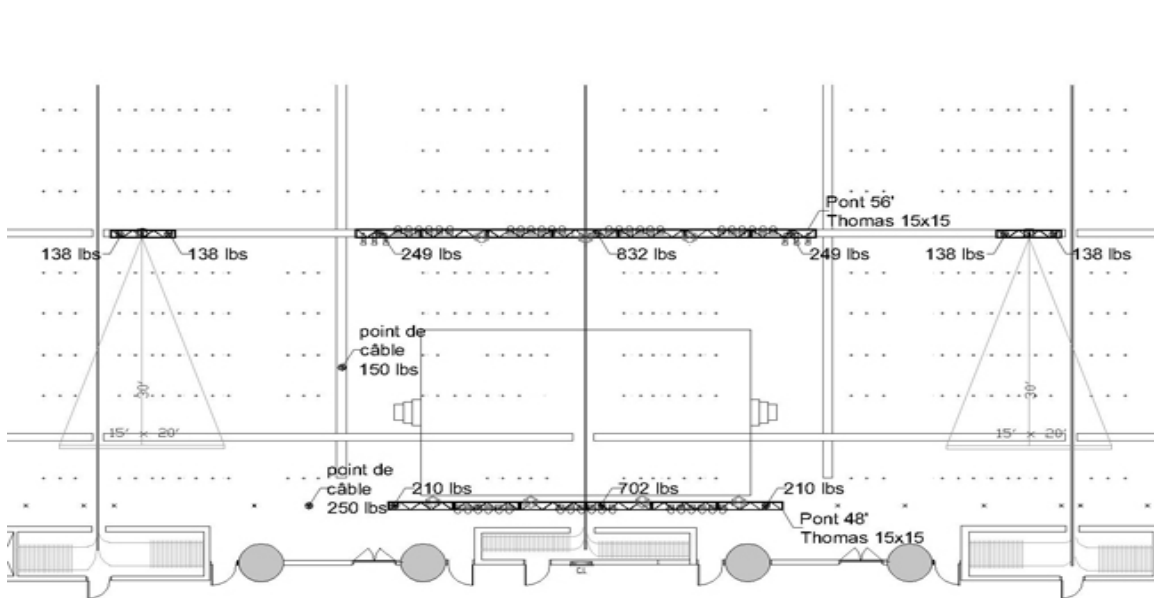

DEADLINES AND RATES

Validation is free if the plan is received at least fifteen (15) calendar days before the start of the event. Afterward, charges of 75 \$/ hour will apply. The validated plan will be returned to you within five (5) working days. Palais technical advisors are available to design plans at the same hourly rate.

ACCEPTED PLAN FORMATS

For compatibility purposes, use « Autocad » format (.dwg or .dxf). Otherwise, please provide us with measurements to scale. Palais master plans are available on demand at no charge.

For more information, please contact our technical advisors at 514 871-5871 (toll free: 1 888 871-5871).

Information that must appear on the plan:

- Rigging points in the room (reflective ceiling)
